## **GENERAL HOUSEKEEPING RULES:**

We pride ourselves on presenting you a lovely clean cabin for your stay. We appreciate you not smoking and not bringing pets inside the cabins. If you are a pet owner, please consider others and pick up what your pet has left behind - pets must be kept on a lead at all times inside the retreat area. Smoking is permitted on the balconies and we ask you to please dispose of cigarette butts responsibly.

Washing down of vehicles and boats is not permitted. We suggest you visit the recycled water washing facility at 182 Callide Street Biloela.

Please wash and dry any dishes or utensils after use and place back in the cabins.

Please return your cabin key to reception upon checkout, where we will refund your key deposit.

Cabin bed linen and towels will be changed out each seven days of occupancy, however if due to unforeseen circumstances you require a change of linen or towel; please don't hesitate to contact us.

Webers' in the cabins are free to use, but are only to be used on the balcony and not in the cabins. Please heed this advice as using the Weber indoors could prove fatal.

Please wrap all fish and red claw waste before putting into the garbage bin at front of cabin.
