Smoking is not permitted inside the cabins, however, is permitted on the decks where an ashtray is provided for your use.

Please wash and dry any dishes and utensils used and place back in the cupboards. An extra fee could be charged if this is not adhered to.

A Weber Q is provided on the deck for your use.

Please place any rubbish in the bins provided. A recycle bin is also provided on the balcony for any recycling items.

Please wrap all fish/red claw waste before placing into the garbage bin at the front of the cabin.

Please keep noise levels to a minimum. After 9 pm we instill a no excessive noise policy.

Please ask any visitors to park in the visitor parking area located on the outside of the nature strip which is clearly signed. Visitors must leave park by 9pm.

Lake Callide Retreat has a septic system (please take note of any signs within the cabins) and it would be appreciated if you could be mindful of what you put down the drain or flush in the toilet. We have supplied septic safe dishwashing detergent and laundry powder (for the cabins with a washing machine).
